Model ID: RXin71432954597

Front

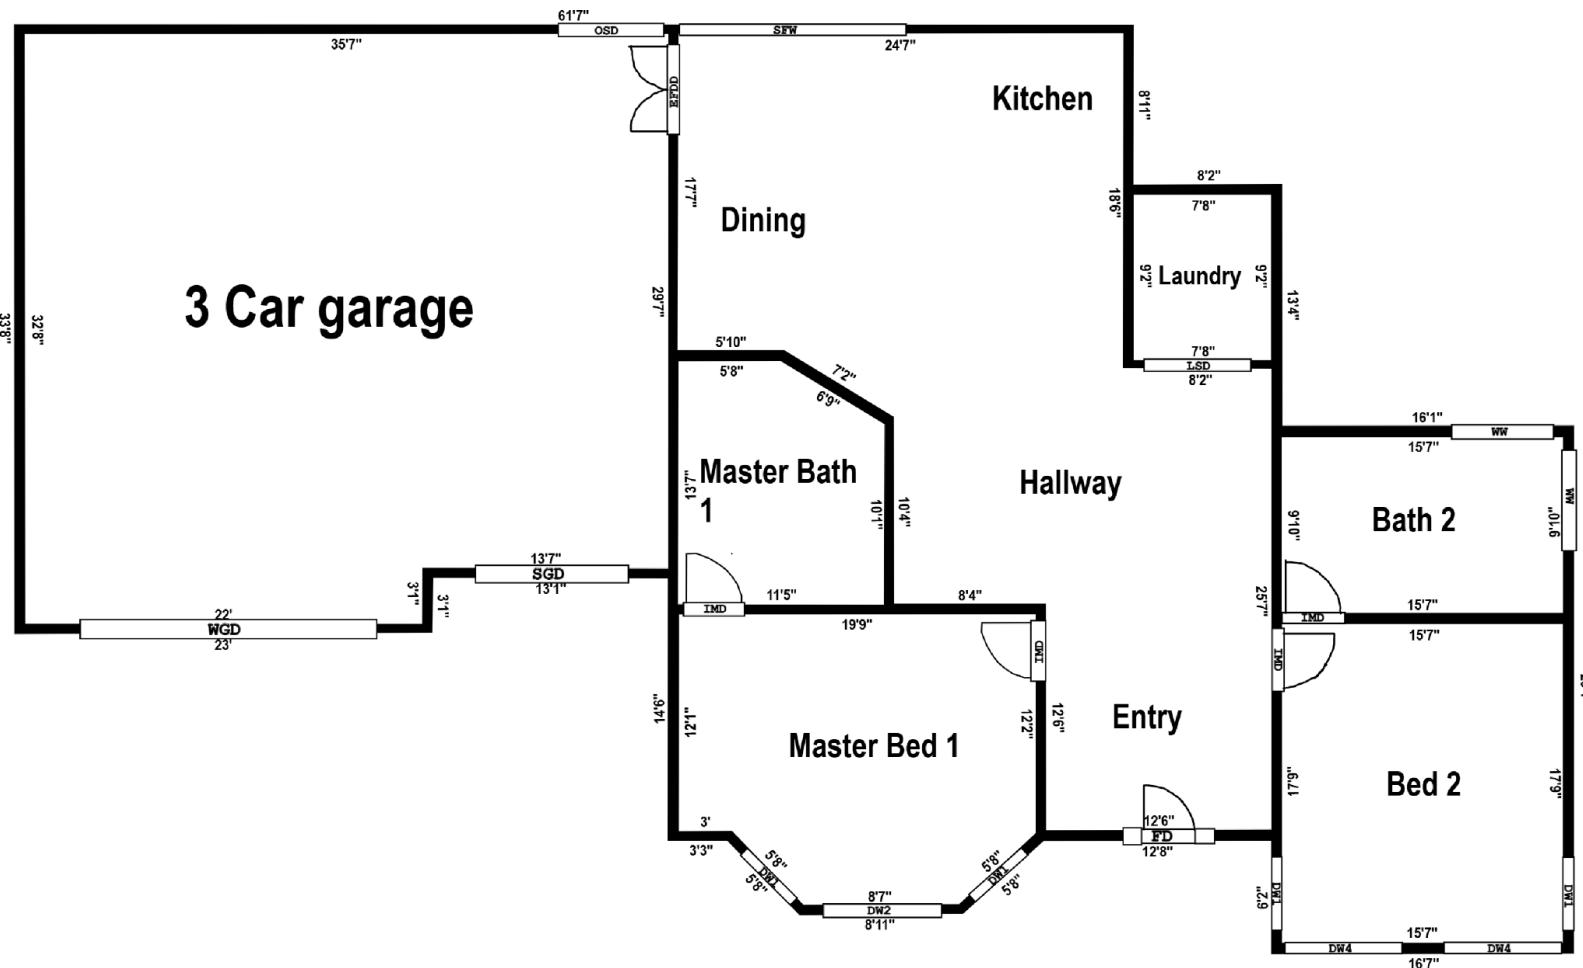

Back

Beds : 2

Baths : 2 full

Square foot size : ~1819

Floor 1

Architecture placement codes.

The floor plan has letters on the White area on the walls floorplan. They represent The Letter and what object is placed on the wall. If you were Not trained with this. Ask a specialist to help you

NOTE : the floorplans made does NOT have any closet doors placed so You will have to add them if you plan to build it.
AND those objects shown the program app did NOT show dimension sizes So I can only give you their Object full name and you can search and analyze the size.

House Info

A 2 bed 2 full bath and ~1819 sqft house has the most luxurious touches and those special features.

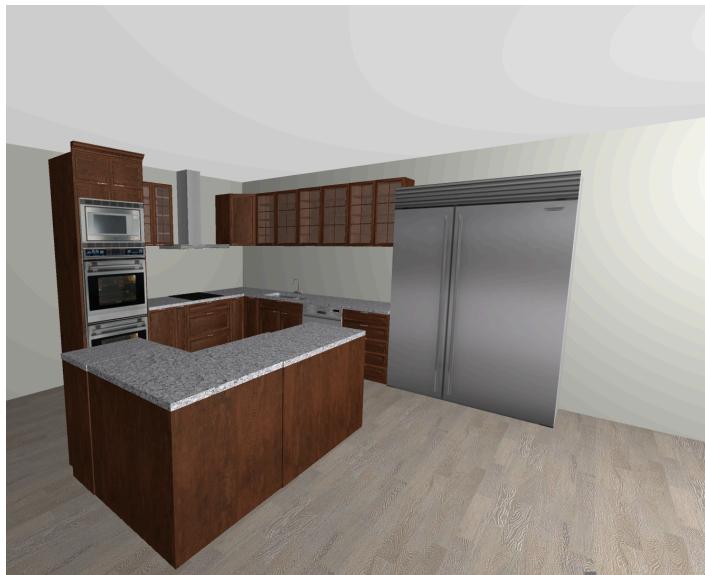

Light & bright corner unit featuring the shed-shaped window. French-inspired kitchen remodel featuring Wolf cooktop & double ovens, 48" Sub Zero refrigerator, plus 2 additional refrigerator drawers built into island. Open room concept, featuring 2 bedrooms & 2 full baths.

Rooms layout. Those are image samples so they are NOT real. And some is by Airel

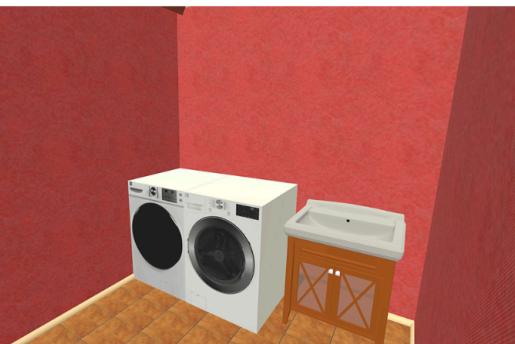

NOTE Some of the images interior are 120 degrees of FOV due to the objects dont show in shorter FOV angle And the kitchen is a exported image from the other app due to Live Home 3D has incorrect kitchen assets.

Floor 1 images interior models

From Home Design 3D –NOTE this app was used for kitchen layout only and might show other walls blank But does NOT mean thats the main design from all other.

From Live Home 3D – Used for actual designs Kitchen does not show there as it failed to release all kitchen cabinets and cupboard assets.

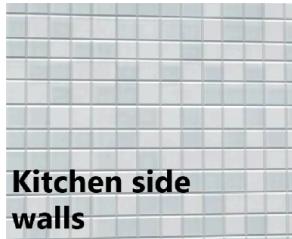

Other notes:

The Walls thickness is 6 inches. The lighting lights is Visible on bathrooms but Not anywhere else as the electrician does the lighting and outlet rules.

Material use (NOTE: This is just the idea of what their material is but is NOT required to be. It can be any texture you choose from. As long if its ok for others.)

Kitchen appliance materials are based on the Brands and cannot be controlled. But cabinets and cupboards can
