**Z = arched opening (not shown in image because that uses the same arched opening that's 5'3")**

## **House Info**

**This elegant 5 bedroom, 5 full bathroom estate spans approximately 4,865 sqft of livable area (final size may vary slightly based on room detailing).**

**The layout features dual garages—one positioned at the front and another at the rear—offering a rare wraparound garage access combo ideal for private driveway or gated estate configurations.**

**Inside, a striking catwalk-style hallway overlooks both the entry foyer and double-height living room, giving the home an open, luxurious feel. French architectural influence is evident throughout, balancing symmetry, tall ceilings, and formal structure.**

**Best suited for private drive lots, flag lots, or secluded parcels, this home blends refined curb appeal with modern flexibility and efficient internal flow.**

**This is a fancy luxury FRENCH style house.**

**Rooms layout. Those are image samples so they are NOT real.  
And some is by Airel**

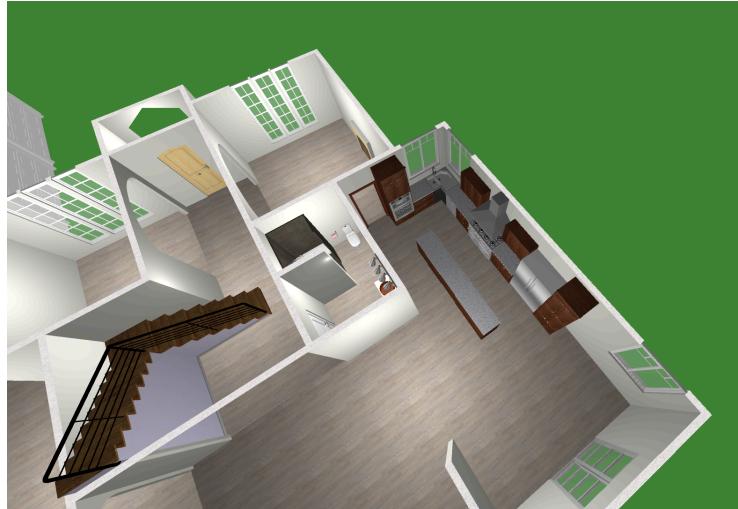

**NOTE Some of the images interior are 120 degrees of FOV due  
to the objects dont show in shorter FOV angle**

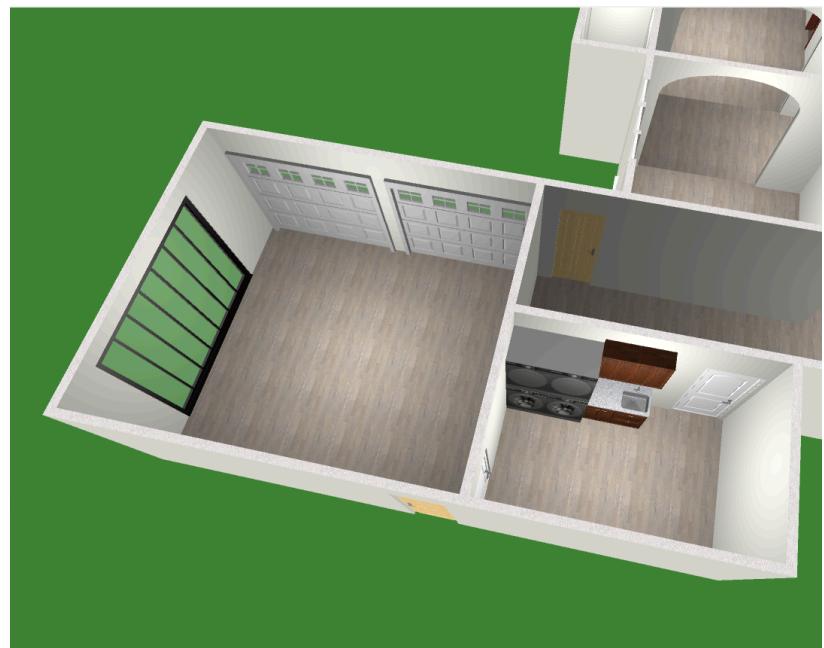

## Floor 2 Model interior images

## Floor 1 Interior Images

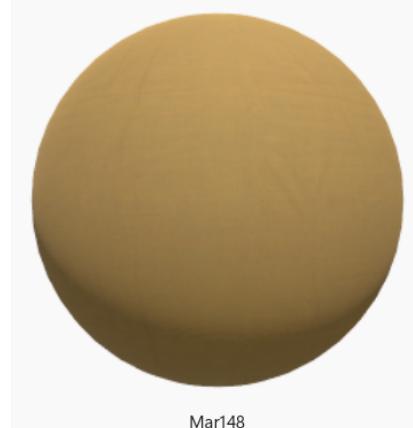

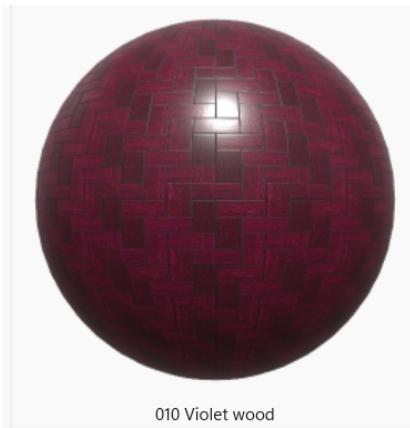

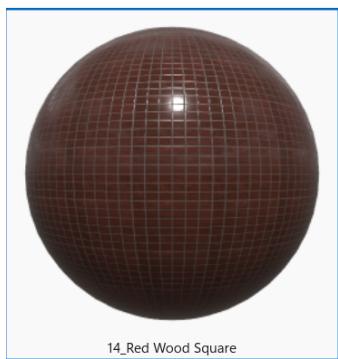

**The Walls thickness is 6 inches. And it shows only Aireal view because its easier for the rooms filling locations**

**Material use (NOTE: This is just the idea of what their material is but is NOT required to be. It can be any texture you choose from. As long if its ok for others.)**

**Kitchen appliance materials are based on the Brands and cannot be controlled. But cabinets and cupboards can**

**Floor 1 main floors**

**Bathroom floors**

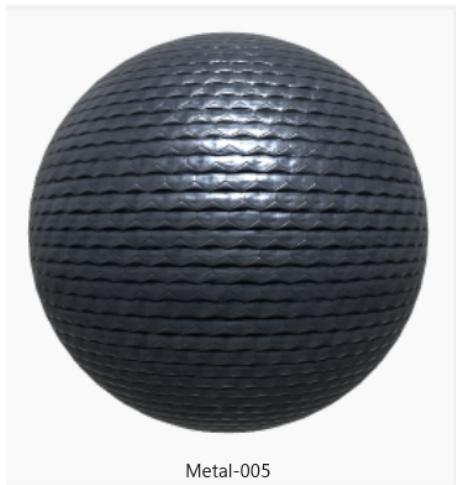

**Floor 2 Bedrooms**

**Except the Kitchenette**

**Kitchen Cabinets / cupboards**

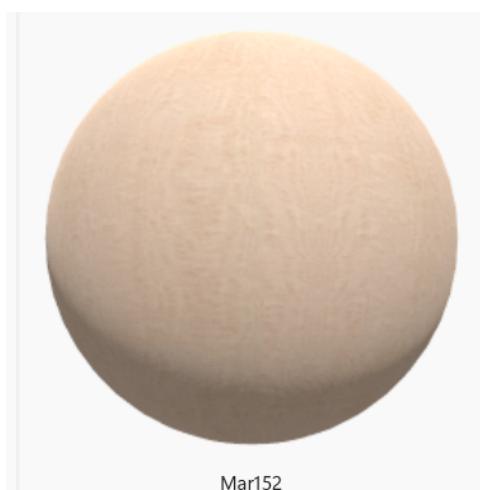

**Walls**

Metal-005

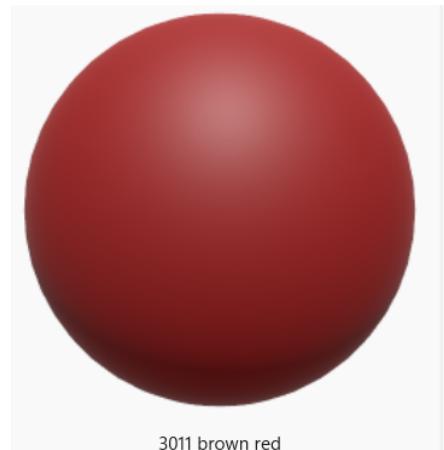

**Guardrails seen in the image.**

## **Exterior Materials.**

Mar152

**House exterior walls**

3011 brown red

**Window Shutters**

Metal-004

## **Garage Doors**
